

Sailplane Grand Prix
Series XI - qualification race
Airfield "Stipe Krišto" - Livno
30.7.2022 - 06.08.2022

Dear friends and supporters

You are most welcome to support us in one of the biggest sporting event in 2022 and become a part of world gliding society.

Aeroclub Livno is more than the club.

It is the sport and aeronautical institution of city of Livno and Bosnia-Herzegovina. With our activities in past we have reached the level to be able to organize one of the biggest world class events.

Airfield is situated on the one of the most attractive areas in Europe.

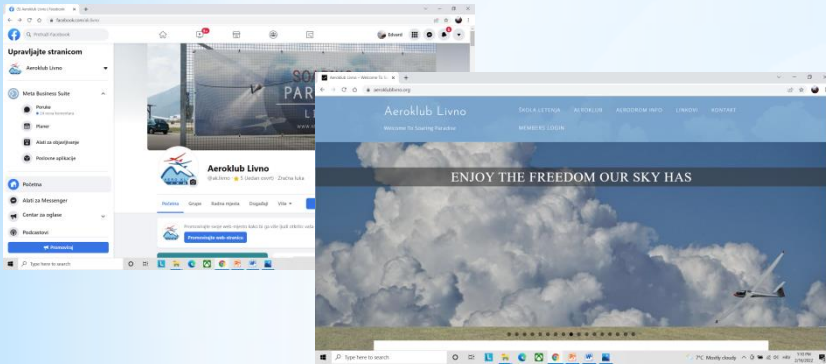

We are organizing second competition of the world sailplane grand prix, which the best gliders pilots in the world will take part in. Race will be followed online by live tracking system.

Our future and power of organization of all flying activities and events are on qualified young people.

Why should you join us?

Advertising on social media and official aero club's web page.

Recreational and sightseeing flights with our club members on our fleet

Become a part of exclusive society and global flying family.
