1 Intro

Dear fellows and pilots,

Aeroclub Livno is organizing a traditional international gliding competition and our club welcomes you to visit us again.

Great weather, lots of free airspace and good hospitality are real invitation to all interested pilots to visit Livno and have a nice experience of flying over Dinaric alps.

This year we will combine this event with Croatian Nationals. Due to that fact, we have limited number of applicants to 25 pilots based on first apply - first serve.
